Franklin/St. John's/Trinity Lodge No. 221, F. & A.M. Lodge Goals for 2023

1. Continue the “Distinguished Service” Award Program, which honors Brethren who have provided service to our Lodge above and beyond the normal call of Duty.
2. Reinforce the mentorship program
3. Strive for excellence and improvement for ritualistic work through officer attendance at the Pittsburgh School of Instruction, Regional School of Instructions, and individual lodge practices.
4. Host events outside of the lodge room for the purpose of fostering fellowship and creating new friendships.
5. Support our brothers especially the elderly and their families by maintaining contact, in case of times in need of our support.
6. Maintain communication with Lodge members through group messaging, broadcast calls and text messages.
7. Continue the “Elders Corner” program of recognizing our fellow brethren.
8. Make every effort to visit brethren who are sick, in person, if the family permits.
9. Maintain a relationship with our brethren from Prince Hall with the goal of attending one of their meetings this year.
10. Increase attending members engagement during stated meetings through topics that drives open discussions.
11. Update our website to display lodge officers and eventually expand to all those in the 55th Masonic District.
