Dear brothers,

I appreciate you taking your time to read and listen to my letter. Amaranth has some fun and exciting things going on this year and you are welcome to join in on the fun. We have some train rides and some boat rides around the state. September 2nd we will be on the Gateway Clipper in Pittsburgh and on October 15th we will be taking a ride on the Oil Creek and Titusville Railroad for a fall foliage ride. There are numerous other events around the state where you and your family can join us in the fun. We look forward to seeing you as we make our way around Pennsylvania for our year. All proceeds will go the Amaranth Diabetes Foundation. Attached is a flyer with a few of our events on it. If you are interested in finding out if there are any other events in your area you can contact me any time.

Thank you,

Sir Knight Karl Forsberg
